## ECONOMIC DEVELOPMENT IN THE WAIKATO

*Waikato district is a wonderful place to live and visit.  
And it is an outstanding place to do business.*

Waikato District Council has a key role in driving economic development. The Council's job is to make it easier for business and industry to invest in our district, our communities and our people.

So we've made it easy.

'Explore Open Waikato' is an economic development initiative designed by business people, for business people. It's part of the Council's open door policy.
